- 10) Points are to be scored between December 1st of previous year and November 30th of current year. All forms must be postmarked no later than midnight, December 5th. There will be no extension of this period. Point submission is the responsibility of the owner of the horse. Enclose a SASE for the return of point totals.
- 11) The OMHC will not be responsible for the loss of forms in the mail and/or calculations made incorrectly, but every attempt will be made to see that no errors occur. Protests must be made in writing to the High Point Committee with final decision resting with the executive.
