4. Any horse entered in any Morgan class at this competition may be selected for equine medication control testing while at the event location as per EC Rule A602.5.
5. Per Article A801, every entry at an EC sanctioned competition shall constitute an agreement by the person responsible and the owner, lessee, trainer, manager, agent, coach, driver, or rider, or horse shall be subject to the EC constitution and all rules of EC and any additional rules set by the competition (A602.7). EQUESTRIAN CANADA, the National Federation of Canada, supports adherence to humane treatment of horses in all competitions under its jurisdiction. EQUESTRIAN CANADA is committed to:

Upholding the welfare of horses, regardless of value, is a primary consideration in all activities. Requiring that horses be treated with kindness, respect, and the compassion that they deserve, and that they never be subjected to mistreatment. Ensuring that owner, trainer, exhibitors and their agents use responsible care in the handling, treatment and transportation of their horses as well as horses placed in their care for any purpose. Providing for the continuous wellbeing of horses by encouraging routine inspection and consultation with health care professionals and competition officials to achieve the highest possible standards of nutrition, health, comfort, sanitation and safety as a matter of standard operating procedure. Continuing to support scientific studies on equine health and welfare. Increasing education in training and horsemanship practices. Requiring owners, trainers and exhibitors to know and follow their sanctioning organization's rules and to work within industry regulations in all equestrian competitions. Reviewing, revising and developing competition rules and regulations that protect the welfare of horses. The standard by which conduct, or treatment will be measured is that which a reasonable person, informed and experienced in generally accepted equine training and exhibition procedures, would determine to be neither cruel, abusive nor inhumane. All participants at The Classics competitions are expected to abide by this Statement of Principle.

Please note the following when completing your entry forms.

**** As per Article A801 the person responsible for a horse must be an adult who has, or shares, responsibility for the care, training, custody, and performance of the horse and who has official responsibility for that horse under EC rules and is liable under the penalty provisions of the Rules for any violation of the EC Rules. For the purposes of these Rules, the Person Responsible is normally the trainer, owner or competitor who rides or drives the horse during an event, or a parent or legal guardian in the case of junior competitors. The Person Responsible is ultimately responsible for the condition, fitness and management of the horse and is alone responsible for any act performed in the stables by himself or herself or by any other person with authorized access to the horse, or while the horse is being ridden, driven or exercised. The Person Responsible must hold a valid EC Sport License in good standing at the same level or higher in which the horse is competing. However, when the competitor is a Junior, the competitor cannot be the Person Responsible and the Person Responsible may be a parent/guardian who must be at minimum an EC or USEF member in good standing.
