

Ontario Morgan Horse Club
The Silver Acres Trophy
Futurity Yearling Championship

Donated by Roy & Beatrice Boyt, Silver Acre Morgans

The oldest trophy in existence of the OMHC is the Futurity Yearling trophy and it has quite the legacy of history behind it. The OMHC began in 1968 and the futurity was started in 1972 with presentations beginning at the Morgan show in 1973.

The inaugural winner was a filly named Silver Liebling, (#623) bred by Roy and Bea and owned by Diane Caron. She was a brown filly with a pedigree going back to Bro-Rock March On & Hawk Jim. She passed away in 2007.

The 1974 winner was the gelding Silver Joel, again bred by The Boyt's, owned by Mrs. Dianne Prow. This boy had Devan bloodlines and Windcrest Play Boy behind him. The Boyt's breeding program was quite prolific during the formative years of the club and the Morgan Horse in Ontario.

Adanac Comtesse was the 1975 champion. This chestnut mare was bred by Ralph D. Parker and owned by David & Pamela Dew who would eventually own the Adanac prefix after Mr. Parker's death. She was sired by one of the farm's top studs, Danny Easter Vermont. Comtesse died in 2009. I believe that Comtesse was the first horse to win all 3 legs of the Futurity (yearling, 2 & 3 year old.)

In 1976, Mayfield Androcles was champion; Bred in the US by Ernest F. Paquette (of Paramount Horse fame) and owned by Norman Peck. This stallion brought Upwey Ben Don blood to the area, he died 2010.
